

The WAR CRY.

NEWS FROM WESTERN ONTARIO.

Tour of Captains Marian Das and Cusin.

Up to the present the Lord has mercifully blessed Capt. Marian Das and I on our tour. At

GUTHRIE.

our first engagement we saw three souls come to the Tabernacle.

WELLAND.

we marched across the town with the Captain, Lieutenant and two Soldiers, which did not of course make a very large procession, however, a large number was attracted to the meeting, where a good deal prevailed. The next day we arrived at

DUNLEVY.

The greater part of the population was attending an evening at a church entertainment, but this did not hinder us having a good march, and also a good open-air meeting. About one hundred souls came to our meeting where the Spirit of God was very present.

HAMILTON.

The Captain had not yet arrived, and the Corp was under the direction of a young Lieutenant. Several good souls have a good meeting which will go well in the future.

people were present, in fact there were scarcely enough seats to accommodate all, which made a meeting rather difficult. However, the meeting was a powerful one, and one soul was brought to Jesus.

On Monday, Nov. 8th, we arrived at WOODSTOCK,

where Mr. Main Mohr was awaiting us, there was plenty of snow and it was rather cold. After a few words of text we had a short meeting, during which Capt. Marian Das and I on our tour.

we found some German soldiers, and several good testimonies were given by them to the glory of God. The Major had the privilege of being very present, and was converted. Tuesday, fifth, Nov. 9th, after removing part of the day with the dear Major we left for NORWICH.

The Captain had not yet arrived, and the Corp was under the direction of a young Lieutenant. Several good souls have a good meeting which will go well in the future.

At NIDDERDALE.

As the station is some distance from the town we took the stage, in which there was another passenger besides ourselves.

"Are you well call?" asked Capt. Marian Das.

"When did you give your heart to God?"

"I don't know!"

"You go to Church?"

"But what is plain?"

"But you are not converted!"

The gentleman arose and got out of the stage saying to the driver, "They are preaching to me in there and I don't like it." Marian Das ran after him crying, "Come back man, if it does not stop you from being converted." He came back, we invited him to the meeting in the evening, but he would not promise.

"Will you have a Barnabas?" It is the best Salvation paper!

"No, thank you, we do not need your paper, although it is a Salvation paper!"

"Well, I am sorry for you!"

"Are you sure that you are saved?" "Yes, certain!"

"Who has given you the right to say so?"

"N.D. - Who gave the Apostle Paul his commission?"

"Oh! that you have received your grace from God who gave to the Apostle Paul his commission."

"N.D. - 'Yes!'

"Oh, it is from a good source then!" An Ibrahim approaching with a wicked air, said to Capt. Marian Das,

"You will do better to proceed to your people in India, to come here, but I have seen other Christians to come here to do their work."

On rising this next morning behold everything was white! for the snow had fallen during the night, Captain Marian Das who for the first time had been in the cold climate, being down, could not retain his voice and examinations of astonishment, on looking at this vast white carpet which covered the earth as far as the eye could reach.

He understands now what means that climate.

"The blood of Jesus cleaves white as snow."

The hour for departure arrived, and we were soon ready for GALT.

which we reached on Sat. Nov. 10th. After some difficulty we found the Army Hall where the officers live. A good hall and all around we had a good number of soldiers, which made a considerable number of people into the barracks. The meeting was powerful and one soul gave himself to Jesus. The next day, Sunday, was a most glorious day, the sun shone brightly and better attended than the previous one. We had two splendid meetings in the morning, and after Conversion, "but we," they exclaimed, "the Army will never convert us!"

Sound the Alarm.

I have been laid aside from the world, but the world has not been cast out, so I am now in a position to do my duty, and to help others.

The WAR CRY.

THE SECRET OF OPPOSITION.

By Major Bassett.

We must have the wire-stretching of us to our hearts so that we may be able to cover the works of destruction and have the precious blood of God upon us.

It is not the day of small things.

Because the world is filled with

ignorance, pride, and sin.

It is only too true that many helpless people which should be comforted are led into the wrong ring.

It is the day of the Devil for in

the name of the Holy Ghost the

Devil is fully "believe".

What is the cause? The

world is filled with

ignorance, pride, and sin.

It is the day of the Devil for in

the name of the Holy Ghost the

ignorance, pride, and sin.

The cause of nearly all the

trouble in the different religious bodies,

the Salvation Army included,

is that some people are always inter-

fering with the affairs of others instead

of looking after their own.

Some seem to

forget their own faults altogether,

but if they see a fault in a brother or

sister, instead of pointing the fault out

to that person, they go and make a

table talk of it, and by the time it has

gone round the room,

the whole life of the

Salvation Army is ruined.

What is the cause?

The world is filled with

ignorance, pride, and sin.
